

Horological Training S W

Phillip J Gale FBHI

- Horological Training SW was originally created to help students gain practical skills to assist them with the BHI Distant Learning Courses. The workshop is run by Phillip J Gale FBHI and is situated in the heart of the Cornish countryside not far from the main trunk road (A30) through Cornwall.
- The workshop is only able to accommodate a maximum of two students at any time therefore tuition is virtually on a one to one basis.
- Beginners and more Mature students in Horology are also invited to apply. There will be no set titles for the courses they can be designed to fit in with individual student's requirements.
- Courses will be held on a Saturday/Sunday only and can be 1 or 2 days.
- The Platform Escapement course that I run is for more advanced students and will cover 4 days over 2 weekends.

Prices:

Courses: £220 per day for one to one tuition (2 students price reduced to £180 each per day)

A two day course over a weekend £360 per person. (Recommended)

The platform escapement course £480.

For weekend courses a 25% deposit will be required.

These prices to include a light lunch and refreshments.

B & B can be provided at £30 per night.
